

Elderberry Anti-aging Cleansing Mousse

Purifying Deep Cleanser

- lifts and washes away old skin cells and impurities
- leaves the skin thoroughly rinsed clean
- promotes softer, smoother, brighter skin
- helps nourish, heal, and revitalize **all** skin types, including problem and mature skin

A soothing aromatic cleansing mousse enriched with antioxidant plant extracts & essential oils.

Our **Elderberry Anti-aging Cleansing Mousse** thoroughly lifts and washes away old skin cells, make-up, and impurities while leaving your skin softer, smoother, and brighter than ever before.

Receive the benefits of deep skin-cleansing with improved skin tone, without dryness or tightness, from a mousse that rinses easily and maintains your skin's delicate mantle. **Elderberry ACM** is the solution even for problem skin.

Citrus and raspberry extracts help exfoliate to brighten and balance skin tone. Natural emulsifying and softening agents actively work to remove deeply embedded impurities from skin pores. Gentle cleansing and foaming agents then wash away the impurities and dead skin cells.

Extracts of elderberry and yucca uniquely tone and energize the skin while the antioxidant properties of green tea and lycopene protect and nourish. The addition of superior moisturizers then ensures a cleaner, smoother, more radiant complexion.

Try it twice a day for a week. See and feel what a truly good cleanser can do!

Use: For thorough cleansing, first dampen skin with warm water. Apply a small amount of Elderberry Cleansing Mousse to the face, then gently massage over face and neck in a circular motion. Rinse thoroughly.

Ingredients: Botanical Infusion of Sambucus Nigra Flower (Elderberry), Sodium Cocoyl Isethionate, Sorbitol, Decyl Glucoside, Stearic Acid, Disodium Cocoyl Glutamate, Cetearyl Alcohol, Glyceryl Stearate, Caprylic/Capric Triglyceride, Carthamus Tinctorius (Safflower) Seed Oil, Glycerin, Natural Fragrance (Synergistic Citrus, Eucalyptus & Peppermint Essential Oil Blend), Rubus idaeus (raspberry) extract (&) Camellia sinensis (green tea) extract (&) Fucus vesiculosus (seaweed) extract, Tocopherol, Bilberry Extract, (&) Citric Acid (&) Glycolic Acid (&) Lactic Acid (&) Malic Acid,, DMAE (dimethylaminoethanol), Vitis Vinifera (Grape) Seed Extract, Ascorbyl Palmitate, Yucca Extract, Retinyl Palmitate, Lycopene, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol.
